SIRS:

On 3/22/05, we answered an OA which allowed most claims and in the response cancelled the remaining claims so that all the claims in the case were allowed. On 4/14/05, we received a "notice of non-compliant amendment" which was erroneous and which by telephone we worked out to the satisfaction of the PTO and ourselves in a conversation with Ms. Alexander (571-272-7018) on 4/19/05. Also, we spoke with Mr. Brinich on 4/20/05, wherein all the problems were resolved and continued allowance of the remaining claims was acknowledged.

As of today, 8/8/05, we still have not received the notice of allowance and issue fee due notice. Please check and issue same so that we can obtain the patent.
